REF : FRONTLINE CONTRACTING

I hereby confirm that Zimbabwe Red Cross Society have business association with Frontline Contracting, since November 2016. Frontline Contracting demonstrated a character of good standing when they carried out the construction of Zimbabwe Red Cross Society Westwood Girls Hostel. The scope of works involved Masonry work from foundation level to full height, plastering and skimming, glazing, electrical installation and termination all plumbing works right up to the connection to mains, carpentry works which included ceiling fitting. Though out the project they exhibited high professional ethics despite being a company still in the nascent stages of growth.

I do not hesitate to recommend them for similar projects should they come their way.

Frontline Contracting is surely a solid and reliable contractor in the construction industry in our opinion.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'M. Phiri', written over a dotted line.

M. Phiri (Mr.)

SECRETARY GENERAL
